CHAIRMAN'S STATEMENT

Dear Shareholders,

On behalf of the Board of Directors of Jost's Engineering Company Limited ("Jost's"), I am pleased to present Jost's Annual Report for the Financial Year 2021-22.

The past two years have been a period of intense action and reflection. We have seen a global pandemic, geopolitical tensions, supply chain disruptions and many other public and private upheavals. As the dust settles, and a clearer picture of the world ahead emerges, I believe we are standing at the threshold of a period of great opportunities and growth.

The ongoing geopolitical conflict, re-imposition of lockdown in China on account of fresh COVID-19 cases, global inflation and continuing supply shortages are expected to adversely impact global GDP growth in 2022. The World Bank expects global growth to decelerate from an estimated 5.5% to 3.2% as pent-up demand dissipates and as fiscal and monetary support is unwound across the world. Commodity and energy prices are expected to remain high in the wake of the conflict and sanctions, thereby resulting in an increase in global inflation.

The Indian GDP is estimated to have grown at 8.7% in FY 2021-22, exceeding the pre-COVID level in actual terms. The effects of various reforms for capital spending, greater capacity utilisation, and more private investment are likely to enable this growth.

FY 2021-22 was satisfying year. Your Company has responded with alacrity in dealing with an unprecedented calamity and has shown continuous growth in the operations which were severely impacted due to nationwide lockdown imposed during the first three months. Income for the year is Rs. 11,388 Lakhs as against Rs. 8,648 Lakhs in the previous year. The Company has reported Profit after tax of Rs. 448 lakhs as against Rs. 408 Lakhs in the previous year. The Engineered Products Division's contribution increased profit during the year under review. We serve the industry like Defense, Education, R & D Labs and private segments like Auto Engineering, FMCG, etc. We continue to focus on technical service business in the years to come and our focus will be sharper.

The Material Handling Division turned in a creditable performance and registered appreciable recovery across key performance parameters. The Company is continuously putting focus on quality of products and providing better customer services.

The Company's subsidiary MHE Rental business is steady and the company is consolidating its Business and focus on delivering satisfactory services to the Customers.

To drive future growth, we will intensify our focus towards increasing our manufacturing capacities, product portfolio expansion and digital initiatives

Adequacy and effectiveness of the safety measures prompted employees to say that they "felt the safest at the workplace". Our priority was to vaccinate our employees with agility and to ensure this, multiple vaccination drives for both the doses were held across all our manufacturing locations. Human Resources and Talent Management has always been the priority of your company. The Company believes that human resources are the most critical element responsible for growth.

We strive towards attracting, retaining, and developing the best talent required for the business to grow. The employees are regularly provided with training and development programs to enhance their skills and focus on career progression. Employees have a sense of belongingness and feel empowered in driving business profitability.

On the back of improved performance, I am happy to report that the Board of Directors have recommended a dividend of Rs. 3 per fully paid up equity share which translates to dividend payout of 60% per share.

I would like to thank all our employees, customers, Supply chain partners, business associates, Members of our Board, Shareholders and all the people associated with the company for their continued trust, support and confidence in Josts.

With Best Wishes

Jai Prakash Agarwal
Chairman

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[PURSUANT TO SECTION 204(1) OF THE COMPANIES ACT, 2013 AND RULE NO.9 OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014]

To

The Members,
JOST'S ENGINEERING COMPANY LIMITED
Great Social Bldg.,
60 Sir P. M. Road,
Fort, Mumbai, MH-400001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Jost's Engineering Company Limited (hereinafter called "the company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, its agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2022 (hereinafter referred to as "Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

I. The Companies Act, 2013 (the Act) and the rules made there under;

II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

ANNEXURE 'E' TO THE BOARD'S REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Introduction -

The financial year 2021-22 was expected to be a year of recovery on the back of normalised resumption of economic activity and improved mobility, post the first COVID-19 wave.

On the contrary, the year commenced with the onset of a more virulent second wave, resulting in a record number of infections and a high mortality rate. The country witnessed partial lockdowns across different states, as opposed to complete lockdowns during the first wave. With improved vaccination efforts, the economy bounced back faster than anticipated. However, the recovery momentum was once more disrupted due to the emergence of the Omicron variant towards the end of Q3, which, fortunately, lasted only for a brief period. The emergence of geopolitical tensions towards the end of the year has however now created new challenges with a sharp rise in commodity prices, leading to record high inflation and rising interest rates.

Despite these turbulences, India's GDP is expected to grow by 8.7% in FY 2021-22, compared to a 6.6% contraction registered in the previous year.

The surge in domestic demand, improvement in capacity utilization levels and much leaner corporate balance sheets are further indicating a sustained resurgence in the economic output. The IMD's prediction of yet another year of a normal monsoon has added to the positive sentiments

It is expected that the ongoing geopolitical conflict could impact supply chain dynamics and keep commodity prices elevated for a longer period. Rising interest rates across the world could also impact capital flows into the country. However, India due to its structural reforms and thoughtful fiscal stimulus and monetary support from Government & RBI respectively, is in a better position to withstand the challenges, as in the past.

A. Industry structure and developments:

·Material Handling Division (MHD)

The MHD manufactures and distributes material handling equipment, such as electric pallet trucks, platform/tow trucks, racking systems, electric/diesel forklifts, and reach trucks.

The MHD provides innovative solutions to its customers to save on their labor costs, material costs and conserve time, thereby increasing the efficiency of their processes. Josts has been catering to various industries for their material storage and transportation needs; loading and unloading, stacking and retrieving operations for over fifty years.

·Engineering Products Division (EPD)

The EPD of the company deals in various product lines such as sound and vibration, environmental simulation, process control instrumentation, components, electrical test and measurement, nanotechnology and analytical solutions, heat and combustion solutions. The company is committed to providing environment-friendly technology while assisting its customers to enhance the performance of its products and processes.

Josts is associated with some of the world's leading brands that create cutting-edge engineering products for demanding industrial applications. We provide advanced solutions; a blend of innovation and technical expertise, and technical and commercial support in sales, commissioning, and post-sale services to these brands.

The engineering and construction industry has made a significant recovery from the 2020 recession, but it has also experienced multiple headwinds that are expected to persist. 2022 should be another rewarding—but challenging—year, and the industry looks to be poised to capture growth opportunities. In 2022, as we move into the second year of recovery, the industry has a big role in supporting the nation's growth plan. The Infrastructure Investment and Jobs Act (IIJA), with investments across health care, public safety, and other public infrastructure, is expected to bode well for the E&C firms and is likely to accelerate recovery across the non residential segment. The residential segment is expected to stay strong and exhibit similar activity as it did in 2021.

The industry has increased its investments in digital, including through mergers and acquisitions (M&A), as it prepares to shift toward connected construction capabilities. These technologies can help E&C firms support initiatives such as smart cities, urban air mobility, and climate change programs and help enhance internal operational efficiencies, reduce costs, and improve margins. 2022 is likely to be an exciting year for the engineering and construction industry

Josts Aerospace & Defense segment is expected to grow in accordance with the government's plans of executing its satellite launch missions and increasing expenditure on the modernization of aircraft & helicopter programs, various defense equipment, and system manufacturing projects. Increasing private ownership of the systems and components manufacturing sector and new product testing opportunities from both private and government labs, create a promising business potential for the company.

The power segment will continue to grow as the government and the private sector invest in Generation, Transmission, and Distribution companies for augmentation, upgrading and modernization of the network

B. Opportunities and threats

With the Government of India initiating substantive policy reforms in the past 3 years and allocating higher budgets for indigenous procurement, the macro picture has become more positive for the business. The determined push by the GoI under the 'Make in India' initiative and 'Atmanirbhar vision' saw positive traction towards indigenous production. The material handling industry is expected to gain from robust demand for steel, power, mineral and other infrastructure industries.

Demand for Engineered Products from the capital goods sector is projected to remain high as the industry is demanding higher productivity, precision and accuracy and low-cost manufacturing solutions.

With the government's renewed focus on incentivizing the manufacturing sector, the logistics market will reap the benefits in the coming years. Growth in the e-commerce sector is also another significant demand driver for our products.

C. Risks and concerns.

In these uncertain times of Covid-19, the company is battling an increasingly volatile and uncertain environment, through rapid changes in all domains potentially impacting the company. These changes bring in new opportunities for the company but they may also pose multi-dimensional risks, which need to be judiciously managed.

Risk management has become an integral part of our strategy. We proactively identify potential risks and accordingly devise our short-term plans to mitigate any risk which could materially impact the company's long-term goals.

Economic Risk: A slump in economic growth may severely impact the infrastructure sectors, and similarly, the company's performance.

Mitigation: Josts has strategies in place to counter this: efficient cost management and tweaking the marketing mix.

Credit Risk: Delayed payments from customers may hamper the company's cash flow. This could influence our finances, affecting several other capital-dependent activities.

Mitigation: Josts has put tremendous emphasis on controlling its working capital to overcome this by building strong processes to continuously track the debtor's profile, and cash inflow to minimize such risks.

Cost Risk: The rise in the price of raw materials and competitive pricing may threaten the business.

Mitigation: To implement cost optimization our company has built long-term relationships with our vendors over the years. In addition, we have created a team dedicated to tracking the pricing of various materials.

HR Risk: Josts operation may be affected if the company does not have skilled employees that are motivated to compete, innovate or grow under pressure.

Mitigation: We focus on creating a group of driven people who are passionate and zealous about working hard and excelling in the industry. We pay attention to each employee's needs and ensure a good working environment. Training and team-building exercises are carried out regularly to minimize fatigue and increase performance.

D. Financial and operational performance

- Material Handling Division (MHD)

The performance of the material handling division has improved drastically during the year. Even after the impact of COVID-19 in the first 3 months of the financial year, MHD has shown tremendous growth in the latter 9 months.

Revenue for the material handling division has increased by 34.56% against last year's revenue mainly on account of increased demand and government initiative for the make in India movement. Profit before tax has increased by 67.38% against last year due to cost optimization and an increase in volume.

Operational Review :

During the year, revenue has increased by 34.56%. Profit before tax has increased to 4 % against 3% in FY21.

Financial Review :

Particulars	FY22	FY21
Revenue (Rs in lacs)	7,572	5,627
Profit/Loss before tax (Rs in lacs)	307	184
Profit before tax (%)	4 %	3 %

- Engineering Products Division (EPD)

EPD's revenue increased by 27% in FY22 mainly due to post covid removal of restrictions implemented globally. Our expected orders were on time due to proper movement. The delivery of imported materials was delayed because of the global supply chain disruption caused by the pandemic. Due to supply chain disruption, our margin has been impacted and reduced from 24 % to 21% during the year.

Operational Review:

During the year, revenue increased by 27%. Profit before tax marginally reduced to 21% against 24 % in FY22.

Financial Review:

Particulars	FY22	FY21
Revenue (Rs in lacs)	3,776	2,965
Profit before tax (Rs in lacs)	797	715
Profit before tax (%)	21%	24 %

E. Outlook

The Global economy recovered from the pandemic shock in 2022 on the back of supportive fiscal and monetary policies and mass vaccination programs. However, at the end of FY22, the war in Ukraine and the subsequent economic sanctions on Russia posed a large shock.

It disrupted energy markets & supply chains and added to the already evolving inflationary pressures and concerns over consumer demand. Consequently, growth forecasts have been slashed. The International Monetary Fund (IMF) now expects the world economy to grow by 3.6% in CY23, which is 0.8 percentage points lower than its pre-war projections.

With the Government's thrust on investment in infrastructure construction activity expected to pick up the pace during the coming year, the construction equipment market is expected to grow by 17%. Government initiatives in infrastructure development in roads, railways, irrigation, ports, urban and rural infrastructure, affordable housing, etc., are expected to drive demand.

Continuous investments in core manufacturing sectors drive the demand for material handling equipment products. In addition, the increased need for automation and shrinking timelines of infrastructure projects demand material handling equipment thereby resulting in an upward trend. The attractive e-commerce industry, rising labor costs, technological advancements further accelerate the growth of India's material handling equipment market. However, high initial costs, lack of awareness, and real-time technical challenges constrain market growth.

The manufacturing segment dominated the Indian material handling equipment market and will continue its dominance throughout the forecast. Make in India initiative to boost the growth of the manufacturing sector, the market is expecting to see attractive growth in manufacturing and consequently in logistics and distribution activities for the forecast duration. The total warehousing requirement in India is expected to grow at a CAGR of 7.5 %. Investment in the warehouse will offer a prospect of realizing returns in the range of 12%-20% per annum to investors willing to explore the sector. India's logistic industry is expected to grow at 15% to 20% per annum.

The engineering sector is the largest of the industrial sectors in India. It accounts for 27% of the total factories in the industrial sector and represents 63% of the overall foreign collaborations. India's engineering sector has witnessed remarkable growth over the last few years driven by increased investment in infrastructure and industrial production. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India's economy.

The electrical equipment market is forecasted to grow at 12% CAGR to reach US\$ 72 billion by 2025 from US\$ 48-50 billion in 2021. The National Infrastructure Pipeline (NIP) was launched in 2020 with an estimated infrastructure investment of around Rs 111 lakh crore (US\$ 1.48 trillion) between FY 2020-2025, which will drive demand for capital goods.

Digital technologies have been gradually infused into the operational processes at Josts, multiple digital solutions have been seamlessly integrated into their day-to-day operations.

Josts' Engineering Product division has a good presence in both private and government sectors. Capacity creation in sectors such as infrastructure, power, mining, oil & gas, refinery, steel, automotive, and consumer durables will certainly benefit this division.

Internal control systems and their adequacy

Josts has an adequate system of internal controls that ensure the efficacy of all operations and assure timely preparation and delivery of accounting records in adherence to the company's policies. It plays a significant role in the process of risk identification and mitigation. During the year, such controls were tested, and no material weaknesses in the design or operation were reported.

External auditors appointed by Josts monitor the internal control system and report to the senior management to ensure that corrective actions can be taken in case of any deficiencies. Furthermore, a risk-based program of internal audits assures the adequacy and effectiveness of internal controls.

F. Material developments in Human Resources / Industrial

Sustainable, profitable growth can only be achieved in an organization that focuses on the culture of performance; where employees are engaged and empowered to do their best.

We ensure that the work environment is conducive to the growth of employees. Significant HR initiatives were taken to ensure that the business operates without any impediments. Josts has 234 permanent employees as of 31st March 2022.

G. Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefor, including details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof

Particulars	FY 22	FY 21	% change Y-o-Y
Debtors Turnover Ratio	3.75	3.81	-2%
Inventory Turnover Ratio	8.94	7.47	20%
Interest Coverage Ratio	36.73	24.66	48.98%
Current Ratio	1.18	1.78	-33.71%
Debt Equity Ratio	0.03	0.05	-40%
Operating Profit Margin (%)	37.84	38.59	-0.27%
Net Profit Margin (%)	3.95	4.76	-2.28%
Return on Networth (%)	12.84	13.34	-0.50%

Interest Coverage Ratio – EBIT has increased from 579.40 lacs to Rs 669.98 lacs. This increase is mainly due to an increase in demand after lifting of post covid restrictions and other government schemes to boost the local business.

Current Ratio – Current ratio has reduced primarily on account of an increase in current liabilities and provisions mainly due to an increase in raw material prices and effective capital management.

Debt Equity Ratio – The ratio has improved due to a decrease in total debt by Rs 64.60 lacs and equity has increased by Rs 424.66 lacs in FY 2021-22.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jost's Engineering Company Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Jost's Engineering Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, including the statement of other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity and for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Evaluated the provisions made for expected credit loss as per ECL model as specified by Ind AS 109. f. Review of documents and other records for trade receivables considered as doubtful and bad.

INDEPENDENT AUDITOR'S REPORT

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

INDEPENDENT AUDITOR'S REPORT

- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, (hereinafter referred to as the "Order"), we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 with the heading ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We report that :

1. In respect of its Property Plant and Equipment and Intangible Assets:

- a. The Company has maintained proper records showing full particulars, including quantitative details and situation of its property, plant and equipment and for intangible assets.
- b. As explained to us, the property, plant and equipment have been physically verified by management and no material discrepancies have been noticed on such verification. In our opinion this periodicity of physical verification is reasonable having regard to the size of company and nature of its assets.
- c. The company does not own any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Therefore, provisions of clause 3(i)(c) of the Order are not applicable to the Company
- d. The Company has not revalued its property, plant and equipment (including right of use assets) and intangible assets during the year. Therefore, the provisions of clause 3(i)(d) of the Order are not applicable to the Company.
- e. According to information and explanations given by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder. Therefore, provisions of clause 3(1)(e) of the Order are not applicable to the Company.

2. In respect of its Inventories :

- a. As per information and explanations provided to us, physical verification has been conducted by the management at reasonable intervals during the year in respect of inventory of raw materials, work in progress and finished goods and no material discrepancies were noticed on such physical verification.
- b. Based on our examination of the books of accounts of the Company, with respect to the sanctioned working capital limits availed from banks or financial institutions, the Quarterly return / statements have been regularly submitted by the company and no material discrepancies were noticed.

3. a. According to the information and explanations provided to us, the Company has made investments in, provided guarantee or security or granted loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The details of Loans granted are given below :

Particulars	Loans Advanced (Rs in Lakhs)

b. The investments made, the securities granted and the terms and conditions of the grant of loans are, in our opinion, prima facie, not prejudicial to the company’s interest.

c. As per the information and explanation provided to us, with respect to the Loans granted to the subsidiary, the schedule of repayment of principal and payment of interest thereon are stipulated and the repayments are generally regular.

d. As per the information and explanation provided to us, there was no overdue loan amount remaining outstanding as at the year-end.

e. According to the information and explanations given to us, no amount of loan or advances has been renewed or extended or fresh loan granted to settle the overdue of existing loan given to the same parties.

f. The Company has not granted any loans during the year which are repayable on demand. Therefore, the provisions of clause 3(iii)(f) of the Order are not applicable to the Company.

4. In our opinion and according to the information and explanations given to us and records examined by us, the Company has complied with the provision of Section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees as applicable.

5. According to the information and explanations given to us, the Company has not accepted any deposits from the public or amount which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) rules 2014 (as amended).

6. We have broadly reviewed the books of account maintained by the Company in respect of products for which maintenance of prescribed cost record is mandated by Government of India U/s 148 (1) of the Act and are of the opinion that, prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of these records with a view to determine whether they are accurate or complete.

7. According to the information and explanations given to us and the records of the Company examined by us :

a. According to the records of the Company examined by us, the Company has been generally regular in depositing amounts deducted/accrued in the books of accounts in respect of undisputed statutory dues, including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues, as applicable. There was no material undisputed outstanding statutory dues as at the year end, for a period of more than six months from the date they became payable.

b. There are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues which have not been deposited with the appropriate authorities on account of any dispute, except as stated below :

Name of the statute	Name of the Dispute	Amount in Dispute (Rs in lakhs)	Period to which the amount relates	Forum where dispute is pending
The Central Sales Tax, 1956	Central Sales Tax	28.97	FY 2012-13	Jt. Commissioner of State Tax (Appeals), Mumbai

8. According to the information and explanation given to us, there were no transactions which have not been recorded in the books of account, which have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year. Therefore, provisions of clause 3(viii) of the Order are not applicable to the Company.

9. a) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not defaulted in repayment of loans or borrowings to any financial institution, bank, Government or debenture holders.

b) Basis the information and explanation provided to us, the Company has not been declared a willful defaulter by any bank or financial institution or other lender.

c) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not availed any term loans from financial institution, bank, Government or issued any debenture during the year.

d) Based on the information and explanation given to us, and the books of account examined by us, short term funds raised during the year have not been utilized for long term purposes.

e) Based on the information and explanation given to us, and the books of account examined by us, during the year, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

f) The Company has not raised any loan during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

10. a) According to the information and explanations given to us and based on our examination. of the records of the Company, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause 3(x)(a) of the order are not applicable to the Company.

b) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, the provisions of clause 3(x)(b) of the Order are not applicable to the Company.

11. a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the company noticed or reported during the year nor have we been informed of any such case by the management.

b) We have not come across any instance of fraud, therefore report under sub-section 12 of section 143 of the Companies Act, 2013 is not required to be filed by us in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c) As reported to us by the management, there are no whistle-blower complaints received by the Company during the year.

12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.

13. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has entered into transactions with related parties in compliance with the provisions of sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under the Indian Accounting Standards (Ind AS) 24, Related Party Disclosures specified under section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

14. In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business; We have considered internal audit reports of the Company issued till date for the period under audit.

15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

16. a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3 (xvi)(a) of the Order is not applicable to the Company.

b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Therefore, the provisions of clause 3(xvi)(b) of the Order are not applicable to the Company;

c) In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of clause 3(xvi)(c) of the Order are not applicable to the Company.

d) According to the representations given by the management, the Group does not have any CIC. Therefore, the provisions of clause 3(xvi)(d) of the Order are not applicable to the Company;

17. The Company has not incurred cash losses in the financial year and in the immediately preceding financial year. Therefore, the provisions of clause 3(xvii) of the Order are not applicable to the Company.

18. There has been no resignation of statutory auditors during the year. Therefore, the provisions of clause 3(xviii) of the Order are not applicable to the Company.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. According to the information and explanation provided to us, Section 135 of the Companies Act 2013 is not applicable to the Company during the year. Therefore the provisions of clause 3(xx) (a) and (b) of the Order are not applicable to the Company.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) of the Independent Auditors’ Report of even date to the members of JOST’S ENGINEERING COMPANY LIMITED on the Standalone financial Statements as of and for the year ended March 31, 2022)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

1. We have audited the internal financial controls over financial reporting of Jost’s Engineering Company Limited (‘the Company’) as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with respect to standalone financial statements included obtaining an understanding of internal financial controls over financial reporting with respect to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with respect to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to Standalone Financial Statements

6. A Company’s internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting with respect to financial statements includes those policies and procedures that

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with respect to standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

1 Corporate Information

Jost's Engineering Company Limited (the 'Company') is incorporated in India. The Company's registered office is at Great Social Building, 60 Sir Phirozeshah Mehta Road, Mumbai-400001. The Company's primary business areas are material handling and engineered products. The Company's equity shares are listed on Bombay Stock Exchange (BSE).

The financial statements of the Company for the year ended March 31, 2022 were approved for issue in accordance with the resolution of the Board of Directors on May 12, 2022.

2 Basis for preparation of financial statements

2.1 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

2.2 Basis of Preparation:

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use. The Company has prepared these Financial Statements as per the format prescribed in Schedule III to the Companies Act, 2013.

The financial statements are presented in ('INR') which is the company functional currency and all the values are rounded off to the nearest lakh except when otherwise indicated.

2.3 Basis of measurement:

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (including derivative financial instruments) that are measured at fair value at the end of each reporting period.

Historical cost is generally based on the fair value of the considerations given in exchange for goods and services.

2.4 Current or Non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is :

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be realized within twelve months after the reporting period; or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when :

- i. It is expected to be settled in normal operating cycle;
- ii. It is held primarily for the purpose of trading;
- iii. It is due to be settled within twelve months after the reporting period; or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.5 Key Accounting Estimates and Judgements:

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following note

- a. Estimated useful life of PPE & intangible assets
- Refer note no 4A & 4B
- b. Probable outcome of matters included under Contingent liabilities - Refer note no. 31
- c. Estimation of Defined benefit obligation - Refer note no. 36
- d. Estimation of Tax expense and tax payable - Refer note no. 45
- e. Measurement of Lease liabilities and Right of Use Asset (ROUA)
- Refer Note 4B, 19 & 21

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with an adverse impact on the economy and business. Global solutions are needed to overcome the challenges – businesses & business models have transformed to create a new work order. The swift transition to remote working was facilitated by the Company.

In the first three months of FY 2021-22, the second wave of the pandemic overwhelmed India's medical infrastructure. The company was facing temporary disruption in its operations, due to lockdown enforced across different parts of the country.

The physical and emotional well-being of employees continues to be a top priority for the Company. The Company is making all efforts to ensure the safety of our employees. These new ways of working and managing businesses present a great opportunity to more than just 'recover' from the consequences of the crisis, but to accelerate transformation.

The Company has considered the possible effects that may result from COVID-19 in the preparation of these Standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these Standalone financial statements.

2.5.1 Impairment of property, plant and equipment

Determining whether property, plant and equipment is impaired requires an estimation of the value in use of the cash-generating unit. The value in use calculation requires the management to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. When the actual future cash flows are less than expected, a material impairment loss may arise.

2.5.2 Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

2.5.3 Discount rate - defined benefit obligation

The Company's defined benefit obligation is discounted at a rate set by reference to market yields at the end of the reporting period on high quality corporate bonds. Significant judgement is required when setting the criteria for bonds to be included in the population from which the yield curve is derived. The most significant criteria considered for the selection of bonds include the issue size of the corporate bonds, quality of the bonds and the identification of outliers which are excluded.

2.5.4. Provision for litigations and contingencies

The provision for litigations and contingencies are determined based on evaluation made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgements around estimating the ultimate outcome of such past events and measurement of the obligation amount. Due to the judgements involved in such estimations the provisions are sensitive to the actual outcome in future periods.

2.5.5. Recognition of deferred tax assets

Deferred Tax resulting from "temporary difference" between the carrying amount of an asset or liability in the balance sheet and its tax base book profit and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the asset will be adjusted in future. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

3. Significant Accounting Policies:

3.1 Property, plant and equipment:

(a) Recognition and measurement:

Property, plant and equipment held for use in production or supply of goods or services or for administrative purposes are stated at cost less accumulated depreciation less accumulated impairment, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

Capital work-in-progress for production, supply of administrative purposes is carried at cost less accumulated impairment loss, if any, until construction and installation are complete and the asset is ready for its intended use.

(b) Derecognition of Assets:

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment, determined as the difference between the sales proceeds and the carrying amount of the asset, is recognized in the Statement of Profit and Loss.

(c) Depreciation:

Depreciation is provided (other than on capital work-in-progress) on a Written Down Value (WDV) basis over the estimated useful lives of assets as prescribed under Schedule II of the Companies Act, 2013. Depreciation on assets acquired/ purchased, sold/discarded during the year is provided on a pro-rata basis from the date of each addition till the date of sale/retirement. The economic useful lives of assets are assessed based on a technical evaluation, taking into account the nature of assets, the estimated usage of assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, maintenance history, etc. The estimated useful life is reviewed at the end of each reporting period, with effect of any change in estimate being accounted for on a prospective basis.

Where the cost of part of the asset is significant to the total cost of the assets and the useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately. Depreciation of such significant part, if any, is based on the useful life of that part.

The estimated useful lives of PPE are as follows:

Sr. No.	Particulars	Useful Life
1	Factory Building-Main Premises	60 Years
2	Factory Building-Major Extensions	30 years
3	Factory Building-Minor	5 Years
4	Computers & Data Processing Units-End User Devices	3 Years
5	Computers & Data Processing Units-Servers & Networks	6 Years
6	General Furniture & Fittings	10 Years
7	Office Equipment	5 Years
8	Plant & Machinery	15 Years
9	Vehicles - Motor Car	8 Years
10	Vehicles - Motor Cycle/Scooter	10 Years

3.2 Intangible assets

(a) Recognition and measurement :

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization. Amortization is recognized on a written down value over their estimated useful lives, which reflects the pattern in which the asset's economic benefits are consumed. The estimated useful life, the amortization method and the amortization period are reviewed at the end of each reporting period, with effect of any change in estimate being accounted for on a prospective basis.

(b) Derecognition of Intangible Assets :

An intangible asset is derecognized on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the profit or loss when the asset is derecognized.

(c) Amortisation:

Amortization is recognized in the income statement on a Written Down Value (WDV) basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefits are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use.

The estimated useful life are as follows:

Sr. No.	Particulars	Useful Life
1	Intangible Asset - Software Licenses	2 Years
2	Intangible Asset - General	10 Years

3.3 Leases

The Company's lease asset classes consist of leases for Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company recognises a right-of-use asset ("ROU") at the

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

commencement date of the lease and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The ROU asset is measured at an amount equal to the lease liability. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is recognized at the date of initial application. The lease liability is measured at the present value of the remaining lease payments discounted using lease incremental borrowing rate at the date of initial application

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows

3.4 Impairment of Property, Plant and Equipment and Intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of Property, Plant and Equipment and other intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of individual asset, the Company estimates the recoverable amount of the cash generating unit to which an individual asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing, value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the

time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognized immediately in the Statement of Profit or Loss.

3.5 Inventories

Inventories are valued at the lower of cost and net realizable value. Costs incurred in bringing each product to its present location and condition is accounted for as follows:

Raw materials, stores and spare parts and traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Finished goods and work in progress: cost includes cost of direct materials and labor and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis.

Net realizable value represents the estimated selling price for inventories in the ordinary course of business less all estimated cost of completion and costs necessary to make the sale.

3.6 Revenue recognition

The Company derives revenue from sale of material handling and engineered products. Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of GST, returns, trade allowances, rebates and amounts collected on behalf of third parties.

(a) Sale of goods

Sales are recorded net of trade discounts, quantity discounts, rebates, indirect taxes. Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer which generally coincides with dispatch of goods from

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

factory/stock points, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods to the degree usually associated with the ownership, and the amount of revenue can be measured reliably, regardless of when the payment is being made. Sales also include, sales of scrap, waste, rejection etc.

(b) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the normal interest rate as applicable.

3.7 Foreign currencies:

The financial statements are presented in Indian rupees, which is the functional currency of the Company. Transactions in currencies other than the Company's functional currency are recognized at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the closing exchange rate prevailing as at the reporting date. Non-monetary assets and liabilities denominated in a foreign currency are translated using the exchange rate prevailing at the date of initial recognition (in case measured at historical cost) or at the rate prevailing at the date when the fair value is determined (in case measured at fair value).

3.8 Employee Benefits:

Short-term Employee Benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefit that is expected to be paid in exchange for that service.

Other long-term employee benefits

The liability for earned leave is not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method with actuarial valuations being carried out at each balance sheet date. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of

the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income.

Post-employment benefits

(a) Defined contribution plans

Employees benefits in the form of the Company's contribution to Provident Fund, Pension scheme, Superannuation Fund and Employees State Insurance are defined contribution schemes. Payments to defined contribution retirement plans are recognized as expenses when the employees have rendered the service entitling them to the contribution.

Provident fund: The employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the provident fund and pension fund administered by the Regional Provident Fund Commissioner. The Company recognizes such contributions as an expense when incurred.

(b) Defined benefit plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurements, comprising actuarial gains and losses, the effect of changes to asset ceiling (if applicable) and the return on plan assets (excluding net interest) is recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income are reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Defined benefit costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expense or income is recognized in Statement of profit and loss.

The defined benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Gratuity:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Vesting occurs upon completion of five years of service. The Company makes contributions to gratuity fund held with a trust formed for this purpose through Life Insurance Corporation of India. The Company provides for its gratuity liability based on an independent actuarial valuation carried out at each balance sheet date using the projected unit credit method.

3.9 Taxes on Income:

Income tax expense comprises current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in Other Comprehensive Income.

Current tax

The tax currently payable is based on the taxable profit for the year. Taxable profit differs from profit before tax as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using the tax rates that have been enacted or substantially enacted by the end of the reporting period.

Advance taxes and provisions for current income taxes are presented in the balance sheet after offsetting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on net basis.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference

arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on taxes (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Current tax and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

3.10 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Product warranty

Provision for product warranty is recognized for the best estimates of the average cost involved for replacement/repair etc. of the product sold before the balance sheet date. These estimates are determined using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on corrective actions on product failures. The estimates for accounting of warranties are reviewed and revisions are made as required.

3.11 Contingent liabilities and contingent assets

Contingent liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are not accounted in the financial statements unless an inflow of economic benefits is probable.

3.12. Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or liabilities on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Financial assets

Classification and subsequent measurement

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are initially recognized at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

These include trade receivables, loans, deposits, balances with banks, and other financial assets with fixed or determinable payments.

Impairment

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, other contractual right to receive cash or other financial assets not designated at fair value through profit or loss. The loss allowance for a financial instrument is equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the lifetime expected credit losses and represent the lifetime cash shortfalls that will result if the default occurs within 12 months after the reporting date.

For trade receivables or any contractual right to receive cash or another financial assets that results from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. The Company has used a practical expedient permitted by Ind AS 109 and determines the expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information.

De-recognition

The Company derecognizes financial asset when the contractual right to the cash flows from the asset expires, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

in the asset and an associated liability for the amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of the transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset, the difference between the asset's carrying amount and the sum of consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income, if any, is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of the financial asset.

Financial liabilities

Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received net of direct issue costs.

Subsequent measurement

Financial liabilities (that are not held for trading or not designated at fair value through profit or loss) are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

Effective interest method is a method of calculating amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Foreign exchange gains and losses

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured at fair value through profit or loss,

the foreign exchange component forms part of the fair value gains or losses and is recognized in the Statement of Profit and Loss.

De-recognition

Financial liabilities are derecognized when, and only when, the obligations are discharged, cancelled or have expired. An exchange with a lender of a debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of a financial liability derecognized and the consideration paid or payable is recognized in the Statement of Profit and Loss.

3.13 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and short-term deposits with original maturities of three months or less that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Earnings per share

The Company reports basic and diluted earnings per share (EPS) in accordance with Indian Accounting Standard 33 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss attributable to ordinary equity holders by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit or loss attributable to ordinary equity holders by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares (except where the results are anti-dilutive).

3.15 Segment Reporting

The Company's business activity falls within two segments viz. Material Handling and Engineering Products.

Segments are organized based on business which have similar economic characteristics as well as exhibit similarities in nature of products and services offered, the nature of production processes, the type and class of customer and distribution methods.

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

Investments, tax related assets and other assets and liabilities that can not be allocated to a segment on reasonable basis have been disclosed as “ Unallocable”

3.16 Borrowing Cost

Borrowings costs that are attributable to the acquisition or construction of qualifying assets up to the date when they are ready for their intended use and other borrowing costs are charged to profit and loss account. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

3.17 Investments in Subsidiaries

Investments in subsidiaries are carried at cost/deemed cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognised, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognised in the statement of profit and loss.

3.18 Dividend to Equity Shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting

3.19 Business Combinations

Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition, which is the date at which control is transferred to the Company. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognized at fair values on their acquisition date.

The Company recognizes any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Consideration transferred does not include amounts related to settlement of pre-existing relationships. Such amounts are recognised in the Statement of Profit and Loss. Transaction costs are expensed as incurred, other than those incurred in relation to the issue of debt or equity securities. Any contingent consideration payable is measured at fair value at the acquisition date. Subsequent changes in the fair value of contingent consideration are recognised in the Statement of Profit and Loss.

1) The Company is in the process of acquiring leasehold land including building at a price of Rs 554.00 lacs and has entered into an agreement on April 12, 2018. The land is located at MIDC Murbad, District Thane. The rationale behind investment is for expansion of Company's manufacturing activities.

33 Capital Management

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital. The capital structure of the Company consists of debt and total equity of the Company.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, long-term borrowings (term loan) and short-term borrowings. The Company's policy is aimed at combination of short-term and long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The Company is not subject to any externally imposed capital requirements.

Total debt includes all long and short-term debts as disclosed in notes 19 to the financial statements. The gearing ratio at the end of the reporting period was as follows:

34 Disclosure of Financial Instruments: Fair Value Measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values :

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other financial liabilities, short-term loans from banks approximate their carrying amounts largely due to short-term maturities of these instruments.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Accounting classification and fair value:

The following table shows the carrying amount and fair value of Financial assets and Financial liabilities:

35 Financial Risk Management Network

The Company is exposed primarily to market risk, credit risk and liquidity risk which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates and other market changes. The Company's exposure to market risk relates to foreign currency exchange rate risk.

Foreign currency risk management:

The Company undertakes transactions denominated in foreign currencies and consequently, exposures to exchange rate fluctuations arise. Exposure to currency risk relates to the company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit and loss and other comprehensive income and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the Company. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

NOTES TO THE STANDALONE FINANCIAL STATEMENT

for the year ended 31st March, 2022

The following tables demonstrate the sensitivity to a reasonably possible change in USD and Euro exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. The Company's exposure to other foreign currencies is not material.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

The carrying amount of company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Rs. (in lakhs)

Particulars	31st March, 2022		31st March 2021

Trade Receivables	38.90	194.28	50.75	144.73

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest expenses and to manage the interest rate risk, management performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and variable rate financial instruments.

Credit Risk:

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Outstanding customer receivables are regularly monitored. The Company maintains its cash and cash equivalents and deposits with banks having good reputation and high quality credit ratings.

Liquidity Risk:

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Fair value of plan assets	20.05	45.65
Net (liability)/Asset recognised in the Balance Sheet	169.02	159.94

(a) The discount rate is based on the prevailing market yields of Indian government Securities as at the balance sheet date for the estimated terms of the obligations.

(b) Expected Return on Plan Assets (as certified by the actuary): This is based on the expectation of the average long-term rate of return expected on investments of the Fund during the estimated term of obligations.

(c) Salary Escalation Rate: The estimates of future salary increase considered taking into the account the inflation.

(d) Category of Plan Assets:

*The Company maintains gratuity fund, which is being administered by Life insurance corporation. Fund Value confirmed by Life Insurance corporation as at March 31, 2022 is considered to be the fair value. A quantitative sensitivity analysis for significant assumption as at March 31, 2022 is as shown below:

Particulars	31st March, 2022		31st March 2021	
	Increase	Decrease	Increase	Decrease
Sensitivity Analysis				
Discount rate (0.5% movement)	-1.36%	1.41%	1.37%	1.41%
Defined benefit obligation (Rs. in Lakhs)	186.53	191.71	202.84	208.49
Future salary growth (0.5% movement)	1.41%	-1.38%	1.43%	1.40%
Defined benefit obligation (Rs. in Lakhs)	191.71	186.50	208.49	202.77

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jost's Engineering Company Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Jost's Engineering Company Limited** ("the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31 2022, the Consolidated Statement of Profit and Loss, including the statement of other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information(hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements and on the other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, its consolidated profit including other comprehensive income, its consolidated cash flows and the consolidated changes in equity and for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report.

We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the report of other auditor on separate financial statements and on other financial information of the subsidiary, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT

Key Audit Matters	How our Audit Addressed the Key Audit Matter
Revenue recognition - Refer Note 3.6 of the Consolidated financial statements	
<p>The Group Company deals in manufactured goods, traded goods, provide AMC services & representing principal on a commission basis and material handling rental business. It sells a number of equipment's and services to its customers, mainly in domestic market through its own sales & distribution network. Sales contracts contain various performance obligations and other terms, including warranties and after sales services. The determination of when significant performance obligations have been met varies, can be the key consideration for revenue recognition, service and the warranty cost.</p> <p>The Group has analysed its various sales contracts and concluded on the principles for deciding in which period or periods the Company's sales transactions should be recognized as revenue.</p> <p>The accounting policies and the note to the consolidated financial statements provide additional information on how the Group accounts for its revenue.</p>	<p>Our Audit procedure included the followings:</p> <ol style="list-style-type: none"> Read the Group revenue recognition accounting policies and assessed compliance of the policies with Ind AS 115 Assessed the design and tested the operating effectiveness of internal controls relating to revenue recognition Assessed the appropriateness of Group's identification of performance obligations in its contracts with customers, its determination of transaction price, including allocation thereof to performance obligations and accounting policies for revenue recognition in accordance with the accounting principles laid down in Ind AS 115. Scrutinized sales ledgers to verify completeness of sales transactions Tested the revenue recognized, on a sample basis, including testing of cut off assertion as at the year end. Our testing included tracing the information to agreements, price lists, invoices, proof of dispatches/deliveries Assessed the revenue recognized with substantive analytical procedures including review of price and quantity Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
<u>Trade receivables (Refer Note 9 of Consolidated Financial Statements)</u>	
<p>Trade receivable balances are significant to the Group as they amounted to Rs 3618.69 lakhs representing 63.23% of the total current assets and 29.10% of the total revenue of the Group for the year ended 31st March 2022. During the current financial year, the group Company has recognized bad debts Rs 92.04 lakhs. The collectability of trade receivables is a key element of the working capital management, which is managed on an ongoing basis by management. The determination as to whether a trade receivable is collectable involves management judgement. Specific factors management considers include the age of the balances, category of customers, existence of disputes, recent historical payments and any other available information concerning the creditworthiness of customers. Management uses the information to assist in their judgement to determine whether allowance for expected credit loss, bad debts is required.</p>	<p>Our procedures included the following:</p> <ol style="list-style-type: none"> Obtained an understanding of the group's processes and controls relating to the monitoring of trade receivables and review of credit risks of customers. On a sample basis, requesting trade receivable confirmations and evidence of receipts from the customers subsequent to balance sheet date. Analysis of ageing profile of the trade receivables to identify credit risks, reviewing historical Payment patterns and correspondence with customers on expected settlement dates. Also evaluated the assumptions and estimates used by management to determine the recoverability, provision for doubtful and trade receivables. Evaluated the provisions made for expected credit loss as per ECL model as specified by Ind AS 109. Review of documents and other records for trade receivables considered as doubtful and bad.

INDEPENDENT AUDITOR'S REPORT

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of consolidated financial statements by the Directors of Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the Companies included in Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls systems with reference to the financial statements and the operating effectiveness of such controls based on our audit.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.

- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entity within the Group to express an opinion on the Consolidated financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company included in the Consolidated financial Statements of which we are the independent auditor. For the Subsidiary Company included in the Consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditor referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITOR'S REPORT

Other Matter

We did not audit the financial statements of the subsidiary company, MHE Rentals India Private Limited, included in the consolidated financial statements whose financial statements reflect total assets of Rs. 2072.43 lakhs as at March 31, 2022, total revenues of Rs 1267.93 lakhs, total profit after tax of Rs.15.54 lakhs and total comprehensive Income of Rs 14.48 lakhs for the year ended March 31, 2022 respectively, and net cash inflow of Rs 14.95 lakhs for the year ended March 31, 2022 as considered in the consolidated financial statements. These financial statements have been audited, by the other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary is based solely on the report of other auditor.

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE AFORESAID CONSOLIDATED FINANCIAL STATEMENTS UNDER SECTION 143(3)(I) OF THE COMPANIES ACT, 2013

(Referred to in paragraph 2(A)(f) with the heading ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

1. In conjunction with our audit of the consolidated financial statements of the **Jost’s Engineering Company Limited** (‘the Holding Company’) as of and for the year ended 31st March 2022, we have audited the internal financial controls over financial reporting of Jost’s Engineering Company Limited (‘the Holding Company’) and its Subsidiary Company, as of that date, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

2. The respective Company’s management and the Board of Directors of the Holding Company and its Subsidiary Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Internal Financial Controls over Financial Reporting of the Holding Company and its Subsidiary Company with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with respect to consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting with respect to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to Consolidated Financial Statements

5. A Company’s internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

6. Because of the inherent limitations of internal financial controls over financial reporting with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Holding Company and its Subsidiary company incorporated in India has, in all material respects, an adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting with reference to consolidated financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

8. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the Subsidiary Company, is based on the corresponding report of the auditor of such company, incorporated in India. Our opinion is not modified in respect of this matter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

1 Corporate Information

Jost's Engineering Company Limited (the 'Company') is incorporated in India. The Holding Company's registered office is at Great Social Building, 60 Sir Phirozeshah Mehta Road, Mumbai- 400001. The Group's primary business areas are material handling, industrial finishing and engineered products. The Holding Company's equity shares are listed on Bombay Stock Exchange (BSE). The Group has one subsidiary i.e. MHE Rentals India Private Limited which has been considered in these consolidated financial statements and its primary business area is material handling rental business.

The consolidated financial statements of the Group for the year ended March 31, 2022 were approved for issue in accordance with the resolution of the Board of Directors on May 12, 2022

2 Basis for preparation of financial statements

2.1 Statement of Compliance:

The Consolidated Financial Statements ("the financial statements") relate to the Company and its subsidiary (collectively "the group"). These Consolidated Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

2.2 Basis of Preparation:

The Consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use. The Group has prepared these Financial Statements as per the format prescribed in Schedule III to the Companies Act, 2013. The consolidated financial statements are presented in ('INR') which is the group's functional currency and all the values are rounded off to the nearest lakh except when otherwise indicated.

2.3 Basis of measurement:

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (including derivative financial instruments) that are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the considerations given in exchange for goods and services.

2.4 Principles of Consolidation:

I. The Consolidated Financial Statements incorporate the Financial Statements of the Holding Company and its subsidiary. For this purpose, an entity which is, directly or indirectly, controlled by the Holding Company is treated as subsidiary. The Holding Company together with its subsidiaries constitute the Group. Control exists when the Holding Company, directly or indirectly, having power over the investee, is exposed to variable returns from its involvement with the investee and has the ability to use its power to affect its returns.

II. Consolidation of a subsidiary begins when the Holding Company, directly or indirectly, obtains control over the subsidiary and ceases when the Holding Company, directly or indirectly, loses control of the subsidiary. Income and expenses of a subsidiary acquired or disposed off during the year are included in the Consolidated Statement of Profit and Loss from the date the Holding Company, directly or indirectly, gains control until the date when the Holding Company, directly or indirectly, ceases to control the subsidiary.

III. The Consolidated Financial Statements of the Group combine the Financial Statements of the Holding Company and its subsidiary line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income, expenses and unrealized profits/losses on intra-group transactions are eliminated on consolidation. The accounting policies of subsidiary have been harmonized to ensure the consistency with the policies adopted by the Holding Company except depreciation, where the Company follows Written Down Value (WDV) method whereas the subsidiary is following Straight Line Method (SLM).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

The Consolidated Financial Statements have been presented to the extent possible, in the same manner as Holding Company's standalone financial statements. Profit or loss and each component of other comprehensive income are attributed to the owners of the Holding Company and to the non-controlling interests and have been shown separately in the financial statements.

IV. Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiary attributable to interests which are not owned, directly or indirectly, by the Holding Company.

2.5 Current or Non-current classification:

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be realized within twelve months after the reporting period; or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current. A liability is current when:

- i. It is expected to be settled in normal operating cycle;
- ii. It is held primarily for the purpose of trading;
- iii. It is due to be settled within twelve months after the reporting period; or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.6 Key Accounting Estimates and Judgements:

The preparation of consolidated financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with an adverse impact on the economy and business. Global solutions are needed to overcome the challenges – businesses & business models have transformed to create a new work order. The swift transition to remote working was facilitated by the Group.

In the first three months of FY 2022, the second wave of the pandemic overwhelmed India's medical infrastructure. The Group was facing temporary disruption in its operations, due to lockdown enforced across different parts of the country.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

The physical and emotional well-being of employees continues to be a top priority for the Group. The Group is making all efforts to ensure the safety of our employees. These new ways of working and managing businesses present a great opportunity to more than just 'recover' from the consequences of the crisis, but to accelerate transformation.

The Group has considered the possible effects that may result from COVID-19 in the preparation of these Consolidated financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of these Consolidated financial statements

2.6.1 Impairment of property, plant and equipment

Determining whether property, plant and equipment is impaired requires an estimation of the value in use of the cash-generating unit. The value in use calculation requires the management to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. When the actual future cash flows are less than expected, a material impairment loss may arise.

2.6.2 Useful lives of property, plant and equipment

The Group reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

2.6.3 Provision for litigations and contingencies

The provision for litigations and contingencies are determined based on evaluation made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgements around estimating the ultimate outcome of such past events and measurement of the obligation amount.

Due to the judgements involved in such estimations the provisions are sensitive to the actual outcome in future periods.

2.6.4 Recognition of deferred tax assets

Deferred Tax resulting from "temporary difference" between the carrying amount of an asset or liability in the balance sheet and its tax base book profit and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the asset will be adjusted in future. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

3. Summary of Significant Accounting Policies:

3.1 Property, plant and equipment:

(a) Recognition and measurement:

Property, plant and equipment held for use in production or supply of goods or services or for administrative purposes are stated at cost less accumulated depreciation less accumulated impairment, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Capital work-in-progress for production, supply of administrative purposes is carried at cost less accumulated impairment loss, if any, until construction and installation are complete, and the asset is ready for its intended use.

(b) Derecognition of Assets:

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment, determined as the difference between the sales proceeds and the carrying amount of the asset, is recognized in the Statement of Profit and Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

(c) Depreciation:

The Group has provided depreciation on a Written Down Value (WDV) basis over the estimated useful lives of assets as prescribed under Schedule II of the Companies Act, 2013.

The economic useful lives of assets are assessed based on a technical evaluation, taking into account the nature of assets, the estimated usage of assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, maintenance history, etc. The estimated useful life is reviewed at the end of each reporting period, with effect of any change in estimate being accounted for on a prospective basis.

The estimated useful lives of PPE are as follows:

Sr. No.	Particulars	Useful Life
1	Factory Building-Main Premises	60 Years
2	Factory Building Major Extensions	30 Years
3	Factory Building-Minor	5 Years
4	Computers & Data Processing Units-End User Devices	3 Years
5	Computers & Data Processing Units-Servers & Networks	6 Years
6	General Furniture & Fittings	10 Years
7	Office Equipment	5 Years
8	Plant & Machinery	15 Years
9	Vehicles - Motor Car	8 Years
10	Vehicles - Motor Cycle/Scooter	10 Years

The subsidiary MHE Rentals India Private Limited has provided depreciation on a Straight-Line Method (SLM) basis over the estimated useful lives of assets as prescribed under Schedule II of the Companies Act, 2013, the estimated useful lives of PPE are as follows :

Particulars	Useful Life
Plant and Machinery	10 years for refurbished machines
Plant and Machinery	15 years for new machines
Spares	5 years
Tools and Tackles	3 years

Depreciation on assets acquired/ purchased, sold/discarded during the year is provided on a pro-rata basis from the date of each addition till the date of sale/retirement.

The economic useful lives of assets are assessed based on a technical evaluation, taking into account the nature of assets, the estimated usage of assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, maintenance history, etc. The estimated useful life is reviewed at the end of each reporting period, with effect of any change in estimate being accounted for on a prospective basis.

Where the cost of part of the asset is significant to the total cost of the assets and the useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately. Depreciation of such significant part, if any, is based on the useful life of that part.

3.2. Intangible Assets

(a) Recognition and measurement:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization. The estimated useful life, the amortization method and the amortization period are reviewed at the end of each reporting period, with effect of any change in estimate being accounted for on a prospective basis.

(b) Derecognition of Assets:

An intangible asset is derecognized on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the profit or loss when the asset is derecognized.

(c) Amortization:

The Group recognizes amortization on a Written Down Value (WDV) basis over their estimated useful lives, which reflects the pattern in which the asset's economic benefits are consumed. Intangible assets that are not available for use are amortized from the date they are available for use.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

The estimated useful life are as follows :

Sr. No.	Particulars	Useful Life
1	Intangible Assets- Software Licenses	2 years
2	Intangible Assets- General	10 years

The subsidiary MHE Rentals India Private Limited has provided depreciation on a Straight-Line Method (SLM) basis over the estimated useful lives which reflects the pattern in which the asset's economic benefits are consumed

The estimated useful life are as follows:

Sr. No.	Particulars	Useful Life
1	Intangible Assets- Software Licenses	3 years

3.3 Leases:

The Group's lease asset classes consist of leases for Buildings. The Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Group recognises a right-of-use asset ("ROU") at the commencement date of the lease and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Group recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The ROU asset is measured at an amount equal to the lease liability. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is recognized at the date of initial application.

The lease liability is measured at the present value of the remaining lease payments discounted using lease incremental borrowing rate at the date of initial application.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows

3.4 Impairment of Property, Plant and Equipment and Intangible assets:

At the end of each reporting period, the Group reviews the carrying amounts of Property, Plant and Equipment and other intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of individual asset, the Group estimates the recoverable amount of the cash generating unit to which an individual asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing, value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognized immediately in the Statement of Profit or Loss.

3.5 Inventories:

Inventories are valued at the lower of cost and net realizable value. Costs incurred in bringing each product to its present location and condition is accounted for as follows:

Raw materials, stores and spare parts and traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Finished goods and work in progress: cost includes cost of direct materials and labor and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis.

Net realizable value represents the estimated selling price for inventories less all estimated cost of completion and costs necessary to make the sale.

3.6 Revenue recognition:

The Group derives revenue from sale of material handling, industrial finishing and engineered products.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of GST, returns, trade allowances, rebates and amounts collected on behalf of third parties.

(a) Sale of goods

Sales are recorded net of trade discounts, quantity discounts, rebates, indirect taxes. Revenue from sale of goods is recognized at the point in time when control of the goods is transferred to the customer which generally coincides with dispatch of goods from factory/stock points, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods to the degree usually associated with the ownership, and the amount of revenue can be measured reliably, regardless of when the payment is being made. Sales also include, sales of scrap, waste, rejection etc.

(b) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the normal interest rate as applicable.

3.7 Foreign currencies:

The Group financial statements are presented in Indian rupees, which is the functional currency of the Group.

Transactions in currencies other than the Group's functional currency are recognized at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the closing exchange rate prevailing as at the reporting date. Non-monetary assets and liabilities denominated in a foreign currency are translated using the exchange rate prevailing at the date of initial recognition (in case measured at historical cost) or at the rate prevailing at the date when the fair value is determined (in case measured at fair value).

3.8 Employee Benefits:

Short-term Employee Benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefit that is expected to be paid in exchange for that service.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

Other long-term employee benefits:

The liability for earned leave is not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method with actuarial valuations being carried out at each balance sheet date. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income.

Post-employment benefits:

(a) Defined contribution plans

Employees benefits in the form of the Group contribution to Provident Fund, Pension scheme, Superannuation Fund and Employees State Insurance are defined contribution schemes. Payments to defined contribution retirement plans are recognized as expenses when the employees have rendered the service entitling them to the contribution.

Provident fund: The employees of the Group are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Group make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary). The contributions as specified under the law are made to the provident fund and pension fund administered by the Regional Provident Fund Commissioner. The Group recognizes such contributions as an expense when incurred.

(b) Defined benefit plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurements, comprising actuarial gains and losses, the effect of changes to asset ceiling (if applicable) and the return on plan assets (excluding net interest), is recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income are reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Defined benefit costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expense or income is recognized in Statement of profit and loss.

The defined benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Gratuity: The Group has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Vesting occurs upon completion of five years of service. The Group makes contributions to gratuity fund held with a trust formed for this purpose through Life Insurance Corporation of India. The Group provides for its gratuity liability based on an independent actuarial valuation carried out at each balance sheet date using the projected unit credit method.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

3.9 Taxes on Income:

Income tax expense comprises current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in Other Comprehensive Income.

Current tax

The tax currently payable is based on the taxable profit for the year. Taxable profit differs from profit before tax as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using the tax rates that have been enacted or substantially enacted by the end of the reporting period.

Advance taxes and provisions for current income taxes are presented in the balance sheet after offsetting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on net basis.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on taxes (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Current tax and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

3.10 Provisions:

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of time value of money is material).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Product warranty

Provision for product warranty is recognized for the best estimates of the average cost involved for replacement/repair etc. of the product sold before the balance sheet date. These estimates are determined using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on corrective actions on product failures. The estimates for accounting of warranties are reviewed and revisions are made as required.

3.11 Contingent liabilities and contingent assets:

Contingent liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are not accounted in the financial statements unless an inflow of economic benefits is probable.

3.12 Financial instruments:

Financial assets and liabilities are recognized when the Group becomes a party to the contractual provisions of the instruments and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or liabilities on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

Financial assets

Classification and subsequent measurement

Loans and receivables:

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables are initially recognized at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. These include trade receivables, loans, deposits, balances with banks, and other financial assets with fixed or determinable payments.

Impairment

The Group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, other contractual right to receive cash or other financial assets not designated at fair value through profit or loss. The loss allowance for a financial instrument is equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12 month expected credit losses. 12 month expected credit losses are portion of the lifetime expected credit losses and represent the lifetime cash shortfalls that will result if the default occurs within 12 months after the reporting date. For trade receivables or any contractual right to receive cash or another financial assets that results from transactions that are within the scope of Ind AS 18, the Group always measures the loss allowance at an amount equal to lifetime expected credit losses. The Group has used a practical expedient permitted by Ind AS 109 and determines the expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information.

De-recognition

The Group derecognizes financial asset when the contractual right to the cash flows from the asset expires, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for the amounts it may have to pay.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

If the Group retains substantially all the risks and rewards of ownership of the transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income, if any, is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of the financial asset.

Financial liabilities

Classification

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognized at the proceeds received net of direct issue costs.

Subsequent measurement

Financial liabilities (that are not held for trading or not designated at fair value through profit or loss) are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

Effective interest method is a method of calculating amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Foreign exchange gains and losses

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period.

For financial liabilities that are measured at fair value through profit or loss, the foreign exchange component forms part of the fair value gains or losses and is recognized in the Statement of Profit and Loss.

Derecognition

Financial liabilities are derecognized when, and only when, the obligations are discharged, cancelled or have expired. An exchange with a lender of a debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of a financial liability derecognized and the consideration paid or payable is recognized in the Statement of Profit and Loss.

3.13 Cash and cash equivalents:

Cash and cash equivalents comprise cash in hand and short-term deposits with original maturities of three months or less that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Earnings per share:

The Group reports basic and diluted earnings per share (EPS) in accordance with Indian Accounting Standard 33 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss attributable to ordinary equity holders by the weighted average number of equity shares outstanding during the period. Diluted EPS is computed by dividing the net profit or loss attributable to ordinary equity holders by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares (except where the results are anti-dilutive).

3.15 Segment Reporting:

The Group business activity falls within two segments viz. Material Handling and Engineering Products.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

Segments are organized based on business which have similar economic characteristics as well as exhibit similarities in nature of products and services offered, the nature of production processes, the type and class of customer and distribution methods. These segments are reported in a manner consistent with the internal reporting. The Group has identified its Managing Director as CODM which assesses the operational performance and position of the Group and makes strategic decisions.

3.16 Borrowing Cost:

Borrowings costs that are attributable to the acquisition or construction of qualifying assets up to the date when they are ready for their intended use and other borrowing costs are charged to profit and loss account. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

3.17 Dividend to Equity Shareholders:

Dividend to equity shareholders is recognized as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

3.18 Business Combinations

Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition, which is the date at which control is transferred to the Group. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognized at fair values on their acquisition date. The Group recognizes any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets. Consideration transferred does not include amounts related to settlement of pre-existing relationships. Such amounts are recognized in the Statement of Profit and Loss. Transaction costs are expensed as incurred, other than those incurred in relation to the issue of debt or equity securities. Any contingent consideration payable is measured at fair value at the acquisition date. Subsequent changes in the fair value of contingent consideration are recognized in the Statement of Profit and Loss. There is no financial impact on consolidated financial statements of the Group.

34 Capital Management

The Group's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital. The capital structure of the Group consists of debt and total equity of the Group.

The Group determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, long-term borrowings (term loan) and short-term borrowings. The Group's policy is aimed at combination of short-term and long-term borrowings. The Group monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Group.

The Group is not subject to any externally imposed capital requirements.

Total debt includes all long and short-term debts as disclosed in notes 17A & 17B to the consolidated financial statements. The gearing ratio at the end of the reporting period was as follows:

35 Disclosure of Financial Instruments

Fair Value Measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other financial liabilities, short term loans from banks approximate their carrying amounts largely due to short term maturities of these instruments. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Accounting classification and fair value:

The following table shows the carrying amount and fair value of Financial assets and Financial liabilities:

36 Financial Risk Management Framework

The Group is exposed primarily to market risk, credit risk and liquidity risk which may adversely impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Group.

Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates and other market changes. The Group's exposure to market risk relates to foreign currency exchange rate risk.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

Foreign currency risk management:

The Group undertakes transactions denominated in foreign currencies and consequently, exposures to exchange rate fluctuations arise. Exposure to currency risk relates to the Group's operating activities when transactions are denominated in a different currency from the Group's functional currency. The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the group.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year. The carrying amount of Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	31st March, 2022		31st March 2021	
	USD	EUR	USD	EUR
Trade Payables	76.50	77.30	76.07	223.82
Trade Receivables	38.90	194.28	50.75	144.73

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest expenses and to manage the interest rate risk, management performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and variable rate financial instruments.

Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Outstanding customer receivables are regularly monitored. The Group maintains its cash and cash equivalents and deposits with banks having good reputation and high quality credit ratings.

Liquidity Risk:

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Net (liability)/Asset recognised in the Balance Sheet	200.81	179.41

(a) The discount rate is based on the prevailing market yields of Indian government Securities as at the balance sheet date for the estimated terms of the obligations.

(b) Expected Return on Plan Assets (as certified by the actuary): This is based on the expectation of the average long-term rate of return expected on investments of the Fund during the estimated term of obligations.

(c) Salary Escalation Rate: The estimates of future salary increase considered taking into the account the inflation.

(d) Category of Plan Assets:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENT

for the year ended 31st March, 2022

*The Group maintains gratuity fund, which is being administered by Life insurance corporation. Fund Value confirmed by Life Insurance corporation as at March 31, 2022 is considered to be the fair value. A quantitative sensitivity analysis for significant assumption as at March 31, 2022 is as shown below:

Particulars	31st March, 2022		31st March 2021	
	Increase	Decrease	Increase	Decrease
Sensitivity Analysis				
Discount rate (0.5% movement)	-1.36%	1.41%	1.37%	1.41%
Defined benefit obligation (Rs. in Lakhs)	186.53	191.71	202.84	208.49
Future salary growth (0.5% movement)	1.41%	-1.38%	1.43%	1.40%
Defined benefit obligation (Rs. in Lakhs)	191.71	186.53	208.49	202.77

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

5.The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

6.Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members can attend the AGM through VC/OAVM and cast their votes through e-voting.

7.Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

8.In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.josts.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

9. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020, MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020, MCA Circular No. 02/2021 dated 13th January, 2021, MCA Circular No. 19/2021 dated 8th December, 2021 and MCA Circular No. 02/2022 dated 5th May, 2022 and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD2/CIR/P/2021/11 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 12th May 2020, 15th January, 2021 and 13th May, 2022, respectively issued by Securities and Exchange Board of India ("SEBI").

10. The Register of members and share transfer Books of the Company will remain closed from 20th September, 2022 to 26th September, 2022 (both days inclusive) for the purpose of payment of dividend, if declared at the Meeting.

11.(i) The Dividend, after declaration, will be paid to those shareholders whose names appear on the Register of Members on 26th September, 2022. The dividend in respect of shares held in the electronic form will be paid to the beneficial owners of shares whose names appear in the list furnished by the Depositories as at the end of business hours on 19th September, 2022.

(ii) The payment of dividend will be made through National Electronic Clearing System (NECS). Members holding shares in demat/electronic form are hereby informed that bank particulars registered with their respective depository accounts will be used by the Company for payment of dividend through NECS. Members are requested to notify immediately any change in their address, bank account details and email id to their respective Depository Participants (DPs) in respect of shares held in electronic (demat) mode and in respect of physical mode, to the Registrar & Share Transfer Agent of the Company

The members holding shares in physical form and desirous of receiving dividend through NECS, are requested to provide their bank account number, name and address of the bank quoting their folio number directly to the Company's Registrar and Share Transfer Agent, namely, M/s. Big Share Services Pvt. Limited, latest by 16th September, 2022, failing which dividend will be paid by DD / Cheque.

12. Members may please note that pursuant to Finance Act, 2020, dividend income will be taxable in the hands of the Shareholders, w.e.f. 1st April, 2021 and the Company is required to deduct tax at source from dividend paid to the shareholders (Resident Shareholders as well as Non-Resident Shareholders) at the prescribed rates. For various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. Therefore, the shareholders holding shares in Dematerialized form or physical form are requested to register their PAN with the Depository Participants or RTA, failing which the TDS will be deducted at higher rate as prescribed. A resident individual shareholder, with valid PAN and who is not liable to pay income tax, may submit a declaration in form 15G/15H to avail the benefit of non-deduction of TDS by sending these declarations to RTA, namely, M/s. Big Share Services Pvt. Limited, Office No. S6-2, 6th Floor Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai -400093, India, Email Id; tds@bigshareonline.com on or before 16th September, 2022.

13. Members having multiple folios in the same order of name(s) may inform the Company for consolidation into one folio.

14. Members holding shares in physical form and desirous of making a nomination or cancellation/ variation in nomination already made in respect of their shareholding in the Company, as permitted under Section 72 of the Companies Act, 2013, are requested to submit the prescribed Form SH.13 to the Registrars & Share Transfer Agent of the Company for nomination and Form SH.14 for cancellation/variation as the case may be. Shareholders holding shares in demat form are also advised to avail nomination facility by submitting the prescribed form to their respective Depository Participants (DPs).

15. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contract or Arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available for inspection.

16. (a) Pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013 the unpaid/unclaimed dividends upto the year 2013-2014 has been transferred to Investor Education and Protection Fund ("IEPF") and dividends for the Financial Year ended March 31, 2015 and thereafter which remain unpaid or unclaimed for a period of 7 consecutive years will also be transferred to the IEPF constituted by the Central Government, on the respective due dates on or after 20th October, 2022. The Company has also uploaded full details of such shareholders, whose dividend for seven consecutive years remained unclaimed, on its website www.josts.com

Members, who have not encashed their dividend warrant(s) for the financial year ended March 31, 2015 or any subsequent financial year(s) are urged to claim such amount from the Company immediately. Shareholders whose amount has been transferred to IEPF as above may claim refund from IEPF in accordance with the provisions under the Companies Act, 2013 and rules made thereunder.

(b) Pursuant to the provisions of Investor Education and Protection Fund (uploading of information regarding unpaid and unclaimed amount lying with Companies) Rules, 2012, the Company has uploaded details of unpaid and unclaimed amounts lying with the Company as on 9th September, 2021 (the date of last Annual General Meeting) on the website of the Company www.josts.com.

(c) Further, pursuant to the provisions of Section 124 of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, all shares in respect of which dividend has not been encashed/claimed by the Shareholders for seven consecutive years, the Company is required to transfer such Equity Shares of the Members to the Demat Account of the IEPF. Accordingly, the Company has transferred 2,278 Equity Shares of Rs. 5/- each to IEPF whose dividend has not been encashed for consecutive 7 years from 2013-14, details of which are available on website of the Company also. Similarly, the Company will transfer such shares to the Demat Account of IEPF Authority on which dividend for 2014-15 will remain un-encashed for consecutive 7 years, as per the guidelines issued by the concerned authority/(ies) from time to time.

17. SEBI vide its Circular No. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018 has mandated that for making dividend payments, companies whose securities are listed on the stock exchanges shall use electronic clearing services (local, regional or national), direct credit, real time gross settlement, national electronic funds transfer etc. The Company and its Registrars and Share Transfer Agent are required to seek relevant bank details of shareholders from depositories/investors for making payment of dividends in electronic mode. Further, pursuant to recent General Circular 20/2020 dated May 05, 2020 companies are directed to credit the dividend of the shareholders directly to the bank accounts of the shareholders using Electronic Clearing Service. Accordingly, Members are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in dematerialized form and with the Registrars & Share Transfer Agent in respect of shares held in physical form.

18. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants (DPs) with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to RTA viz. Big Share Services Pvt. Limited / Company.

19. SEBI vide its Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 08, 2018 & Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018 amended Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which provides that from April 01, 2019 transfer of securities would not be processed unless the securities are held in the dematerialized form with a depository. In view of the same, now the shares cannot be transferred in the physical mode. Hence, Members holding shares in physical form are requested to dematerialize their holdings immediately. However, Members can continue to make request for transmission or transposition of securities held in physical form.

20. The Companies Act, 2013 in line with the measures undertaken by the Ministry of Corporate Affairs for promotion of Green Initiative, has introduced enabling provisions for sending notice of the meeting and other shareholder correspondences through electronic mode. Members holding shares in physical mode are requested to register their email ID's with the Company or its RTA and Members holding shares in demat mode are requested to register their e-mail ID's with their respective Depository Participants (DPs). If there is any change in the e-mail ID already registered with the Company, Members are requested to immediately notify such change to the Company or its RTA in respect of shares held in physical form and to DPs in respect of shares held in electronic form.

21. Members may also note that the Notice of this Annual General Meeting and the Annual Report of the Company for the year 2021-22 is also available on the website of the Company viz. www.josts.com.

22. The Financial Statements of the subsidiary of the Company are not attached to the 115th Annual Report of the Company. However, these documents will be made available upon receipt of request from any Member of the Company and shall be available at the Registered Office of the Company as well as its Subsidiary Company for inspection by the Members in terms of the provisions under the Companies Act, 2013.

23. The Board of Directors of the Company has appointed Mr. Akshay Gupta, Partner of M/s. Akshay Gupta & Co., Company Secretaries, (Membership No. 56911, CP No. 21448), as Scrutinizer to scrutinize the e-voting during the AGM and remote e-voting in a fair and transparent manner.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

(i) The voting period begins on Thursday, 22nd September, 2022 (09.00 A.M) and ends on Sunday, 25th September, 2022 (5.00 P.M). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Monday, 19th September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Item No. 7

Stock Options have long been recognized internationally as an effective instrument to align the interest of employees with that of the Company and its shareholders, providing wealth creation opportunities to employees linked to value creation, retain best performing and critical talent, and reward tenured employees for their past contribution. It creates a sense of ownership between the Company and its employees, paving the way for a unified approach to the common objective of enhancing overall Shareholders value.

The Company seeks approval of the Shareholders in respect of Jost's Engineering Company Employee Stock Option Plan 2022 ("The Plan") and grant of Employee Stock Options ("Option") to the eligible employees of the Company, as may be decided by Board and / or the Nomination and Remuneration Committee ("Committee") from time to time in due compliance with Companies, Act, 2013 (including rules framed thereunder), SEBI (SBEB) Regulations and other applicable laws and regulations. The following would inter alia be the broad terms and conditions of the Plan:

1. Brief description of the Plan:

The objective of Jost's Engineering Company Employee Stock Option Plan 2022 ("the Plan") is to create a sense of ownership and participation amongst the employees, motivate the employees with incentives and reward opportunities and to achieve sustained growth of the Company and the creation of shareholder value by aligning the interests of the employees with the long-term interests. The Company views employee stock options as instruments that would enable the Employees to share the value they would create and contribute for the Company in the years to come.

2. Total Number of Options to be offered and granted:

8. Exercise Period and Process of exercise:

The Exercise period shall commence from the date of Vesting of Options. The Exercise period shall be decided by the Nomination & Remuneration Committee subject to a maximum period of 90 days starting from the relevant Vesting of options. The options shall be exercisable by the employees by a written application or through any mode as may be prescribed by the Nomination & Remuneration Committee, to the Company to exercise the options in such manner, and on execution of such documents, as may be prescribed by the Nomination & Remuneration Committee.

9. The appraisal process for determining the eligibility of employees for the Plan:

The appraisal process for determining the eligibility of the employee will be specified by the Nomination & Remuneration Committee and may be based on criteria such as seniority of employee, length of service, past performance record, merit of the employee, future potential, contribution by the employee and/or such other criteria that may be determined by the Nomination & Remuneration Committee.

10. Lock-in period, if any:

The shares arising out of exercise of vested options under the Plan would not be subject to any lock-in-period after such exercise, except if any lock-in is required pursuant to applicable law.

11. Maximum number of options to be issued per employee and in aggregate, if any:

The maximum number of options to be granted to any employee shall not exceed 20,000 options. The aggregate number of options under the plan shall not exceed 1,20,000 (One Lakh Twenty Thousand only).

12. Method which the company shall use to value its options Fair Value Method will be used to value the options as prescribed under 'Indian Accounting Standard (Ind AS) 102 Share-based Payment'.

The Company shall follow the Guidance as mentioned under the 'Indian Accounting Standard (Ind AS) 102 Share-based Payment' or the relevant accounting standards as may be prescribed by the Institute of Chartered Accountants of India from time to time, including the disclosure requirements prescribed therein.

13. Conditions under which option vested in employee(s) may lapse :

Vested options may lapse due to non-exercise of options within exercise period or where termination of employment is for cause, then all options vested (but not exercised) or unvested, shall stand cancelled. Cause shall mean, as determined by the Nomination & Remuneration Committee, which shall include but will not be limited to the points as defined in the Plan document. All decisions made by the Nomination & Remuneration Committee in determining the cause and subsequent actions shall be final and binding on the employee(s).

14. Specified time period within which the employee shall exercise the vested options in the event of a proposed termination of employment or resignation of employee :

In case the termination of employment of a Participant with the Company is with Cause, and such termination is within 18 (eighteen) months of the Grant date, all his Options, Vested and Unvested, shall stand forfeited at the Termination Date, unless otherwise determined by the Committee. In case termination is after 18 (eighteen) months of the Grant Date, then only the Unvested Options of the grantee shall stand forfeited and the Upfront Price Consideration, if any, paid by the grantee in respect of those Options shall be refunded to him along with interest as may be mentioned in Grant letter.

15. Whether the Plan is to be implemented and administered directly by the company or through a trust.

The Plan will be implemented by the Company directly.

16. Whether the Plan involves new issue of shares by the company or secondary acquisition by the trust or both.

The Plan will involve issue of new shares by the Company and will not involve any secondary acquisition.

17. The amount of loan to be provided for implementation of the Plan by the company to the trust, its tenure, utilization, repayment terms, etc.

Not Applicable.

18. Maximum percentage of secondary acquisition (subject to limits specified under the regulations) that can be made by the trust for the purposes of the Plan.
