MUMBAI: A special CBI court here on Friday rejected the bail pleas of DHFL promoter Kapil Wadhawan and his brother Dheeraj, accused in the Yes Bank scam. Kapil and Dheeraj Wadhawan, promoters of Dewan Housing Finance Ltd (DHFL) and RKW Developers

respectively, were arrested in April by the CBI in connection with the scam. According to the CBI FIR, the scam started taking shape between April and June 2018, when Yes Bank invested Rs 3,700 crore in short-term debentures of the scam-hit DHFL. - AGENCIES

## HC disposes off PIL on naming Covid-19 patients

Orders petitioner to go through other HC judgments, cites fines imposed on frivolous pleas

NARSI BENWAL  
Mumbai

The Bombay High Court on Friday disposed off a petition seeking directives to the BMC and the state government to disclose names of all the Covid positive patients to enable contact tracing and to save others from getting infected. "Disclosing names of persons tested Covid positive could have a bad psychological impact on them," the Maharashtra government told the High Court.

A bench of Chief Justice Dipankar Datta and Justice Sarang Kotwal, disposed of the plea filed by a law student, after her counsel Vinod Sangvikar sought permission to withdraw the plea.

Notably, the bench in an earlier hearing had impressed upon the student

Migrant workers undergo thermal screening at Dadar on Friday

that disclosing names won't serve any purpose as it is solely upon every individual to keep themselves safe.

Opposing the plea, the state through Sadhana Tayde, 57, Director, Health Services, filed an affidavit citing the guidelines of the Indian Council of Medical Research (ICMR), claimed it was duty bound to main-

tain confidentiality regarding Covid patients. "Information related to COVID-19 infection may be highly sensitive in nature with a lot of scope for stigmatization, discrimination, violence etc. Maintaining confidentiality is important to protect the privacy of individuals and avoid any discrimination against them," the affidavit stated, while referring to ICMR directives.

The affidavit pointed out that similar confidentiality is maintained even in the cases of AIDS and Tuberculosis, or any other

notifiable disease.

"We maintain confidentiality on account of Medical Ethics formulated by the Indian Medical Council. Just like the patients suffering from the dreadful diseases such as AIDS and TB deserve full sympathy, the Covid patients too deserve similar treatment. They are entitled to all respect as human being, the identity cannot and should not be disclosed, which otherwise would have a bad psychological impact upon them," the affidavit added.

On Friday, when the matter came up for hearing, the bench sought to know the stand of the petitioner's counsel, as to whether he wished to continue with the PIL or withdraw the same.

On the last hearing, the judges had ordered the petitioner to go through the judgments of Madras, Madhya Pradesh, Orissa and Kerala, which have dismissed similar petitions, with a few imposing hefty costs for filing such 'frivolous' pleas.

## Two held for issuing rape threats to Agrima Joshua

PRIYANKA NAWALKAR  
Mumbai

Mumbai Police's cyber crime cell has arrested two more men in connection with the rape threats and abuse of a city-based standup comedian Agrima Joshua on Thursday. Police officials said, investigations has revealed the duo's role in uploading an offensive video and they were picked up from Virar for questioning. Joshua was caught in a controversy after an old video of her comic act went viral, where she had purportedly insulted Chhatrapati Shivaji Maharaj.

Over two weeks, after Mumbai Police had arrested Imtiyaz Sheikh alias Umesh Dada, 28, a Nalopara resident for uploading an abusive, threatening video on social media against Joshua, two more arrests of Ashraf Shaikh and Virat Sharma were made on Thursday. Police said, the duo who drive auto-rickshaws for a living, were arrested from Virar and that they had gone underground after Umesh Dada was held on July 13.

## Maha govt forms committee to cap prices of masks & sanitizers

State govt asks committee to submit a report within three days

SANJAY JOG | Mumbai

The Maharashtra Government has set up a four member committee headed by the Sudhakar Shinde, who is the CEO of Mahatma Jyotiba Phule Jan Arogya Yojana to make recommendations to cap the prices of masks and sanitizers. The government move comes after it received multiple complaints with regard to sale of masks and sanitizers at inflated rates during the ongoing Covid 19 crisis.

The state government on Friday issued a notification. The government has asked the committee to submit a report within three days and thereafter the Department of Medical Education and Drugs will issue directives capping the prices of masks and sanitizers.

The Department of Medical Education and Drugs Officer told Free Press Journal that the prices of masks and sanitizers were regulated by the Centre after the lockdown was announced in March. However, the Centre removed masks and sanitizers from the category of essential commodity through an order released on June 30. "The state government

wrote to the Centre seeking inclusion of masks and sanitizers in the category of essential commodity. The Centre has yet to act. However, the government received complaints about the sale of these two products at higher prices. Therefore, the decision was jointly taken by the departments of public health and Food and Drug Administration to form the committee and later urge the Department of Medical Education and Drugs to cap the prices," he noted.

Free Press Journal had reported on July 7 the government's intent to cap the prices of masks and sanitizers.

## Museums gear up to fit in post-Covid world

DHAVAL KULKARNI | Mumbai

Adapting to a post-Covid world, the state government is working on a plan to open up museums for visitors with adequate precautions like social distancing.

The state government has 13 museums at Nagpur, Sindhadra, Mahur, Ter, Aurangabad, Kolhapur (2), San-

gli, Aundh, Nashik, Thiba Palace (Ratnagiri), Paithan and Satara.

"Once the lockdown is eased or over, we are planning to re-open museums with adequate precautions like social distancing. However, Covid prevention measures may be tough to implement in a closed area like a museum, vis-a-vis an open

space. For this, we are seeking the aid of experts and architects," said an official from the directorate of museums and archaeology.

The directorate plans to involve experts from the CEPT University in Ahmedabad. This report will be evaluated by the directorate before being submitted to the state government.
